

Basic Bible Study Questions

1. **What does this passage say?** – Read the Bible verses the first time to discover the story of what is being told.

2. **What does this passage mean?** – Discover the meaning of the passage through study with a group, or using trusted Bible study resources. (A study Bible or other Bible study tools.)

3. **What is God telling me?** – Pray and reflect on what God is saying to you personally through His word.

4. **How am I encouraged and strengthened?** – God wants us to have an abundant life in Him. How is He speaking to you to encourage you in your daily life?

5. **How am I challenged in my life regarding confession and repentance?** - What corrections in your life is the Lord asking today?

6. **How can I be changed, so I can learn and grow?** All healthy things grow. What does the Lord want to teach you from these Bible verses that will help you grow in your walk with Him?

7. **How does this apply to me?** What is God saying specifically to you today from these verses?

8. **What will I do about it?** How will you put into practice what you've learned today?

9. **How can I be an example of the Bible study truth and be used to teach others?** Everyone has the ability to teach someone else. What will someone learn from your life if you live out the truth of this study?

10. **What does God want me to share with someone?** God wants you to tell His story to others. What truth from this study can you share with someone else? Is there a specific person you want to share this with?
